OFFICE OF LEGISLATIVE COUNSEL

Thurs day - 6 Dec ember 1962

(Unclassified - GLC) [redacted] called
to say that the Department of the Army raised objection to the CIA/State
proposed reply to Representative Reuss and had suggested a slightly
different, classified, letter. [redacted] is to indicate to State that
while we have a preference for the version which State and we had
agreed to, we would not object to the Army draft if State wished to
use it. (See Journal of 5 December 1962)
